

POSTPARTUM SUPPORT INTERNATIONAL IS COMING TO PORTLAND!

Save the date! Postpartum Support International's 32nd Annual Conference is coming to Portland. The annual PSI conference is a unique, international training and networking opportunity, attracting more than 400 participants. The conference brings together medical and mental health providers, childbirth professionals, support and resource providers, caregivers, policy-makers, researchers, volunteers, families, and educators to improve their understanding of PMADs and their ability to serve pregnant, postpartum, and post pregnancy-loss families.

No one should suffer in silence and it is our vision that every woman and family worldwide have access to information, social support, and informed professional care to deal with mental health issues related to childbearing. PSI promotes this vision through advocacy and collaboration, and by educating and training the professional community and the public.

Early Bird Registration ends on May 10th, register at www.postpartum.net/professionals/conference-2019/
